

BESPOKE HOLIDAYS
A PLACE WITH A SOUL
IN THE SOUTH OF FRANCE

CHÂTEAU DE SAINT-MARTORY

The chateau stands high on the banks of the Garonne river, with the Pyrénées mountains at close range. It is surrounded by historical rural buildings and beautiful woods.

The property is leased on an exclusive basis with optional private concierge services and the possibility to have all meals catered for by our private chef.

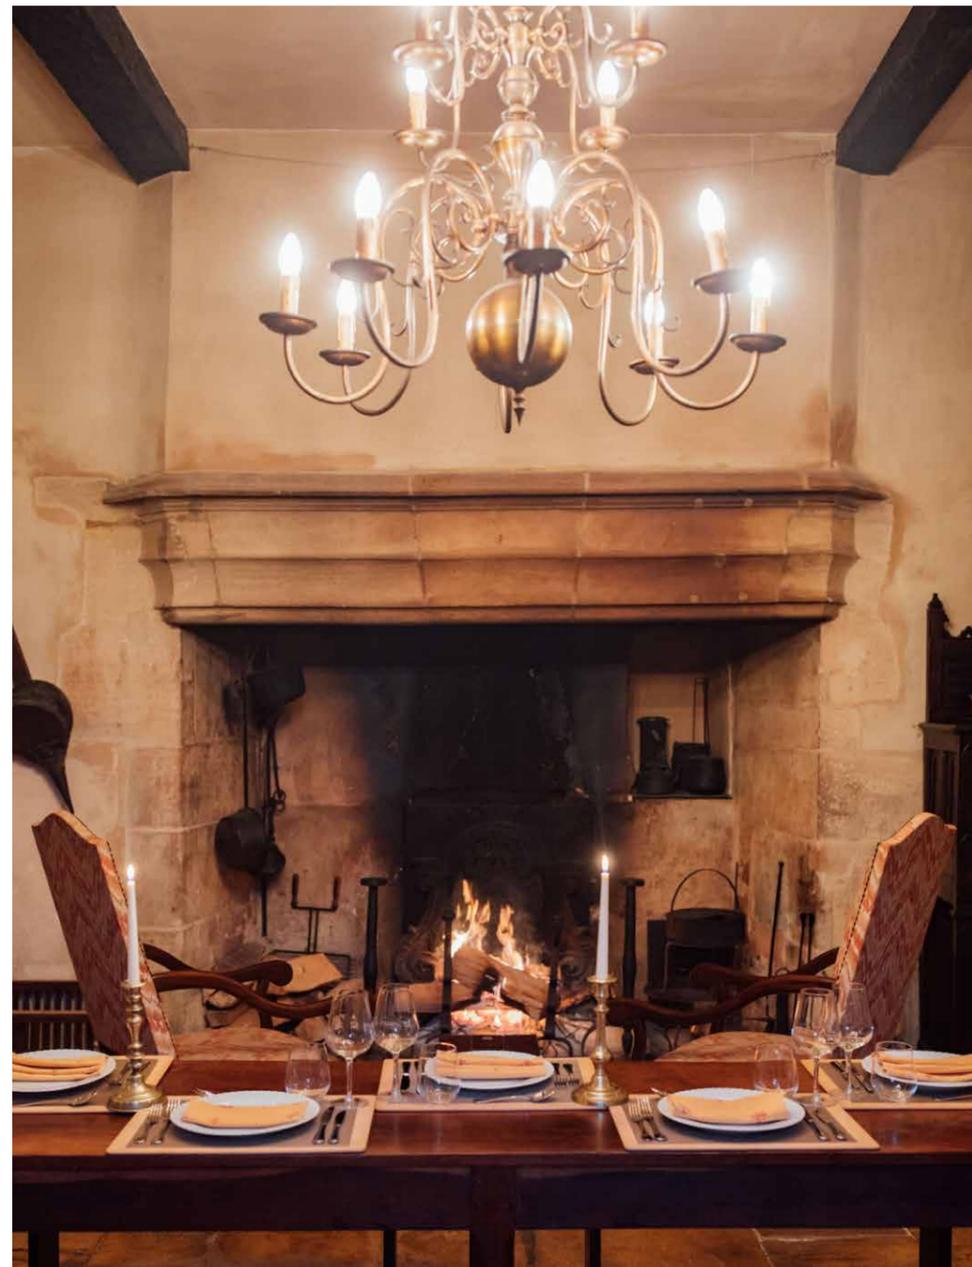

Maximum rental length is five nights during the high season, from May to September. There is no limitation for longer stays the rest of the year, and winter near the Pyrénées can be amazing.

FIVE LIVING SPACES

The Chateau offers five very distinct living spaces including the historical guards' room, the classical red lounge, yellow dining room and office, and the contemporary games room.

The stones of the guards' room have been carved and polished by the passing of time and men. It is an untouched space where time seems to have come to a halt centuries ago.

The massive fireplace has witnessed countless moments of gastronomical delight, and is still used for joyful winter barbecues.

NEO-GOTHICISM BY VIOLLET LE DUC

The red lounge is the place to enjoy a cup of tea or a glass of Porto after a day outdoors. Its warmth is the direct result of Viollet le Duc's reinterpretation of gothic style mixed with the romanticism of the 1850's.

That is the time when his fellow architect, Ruprich Robert, modernized the chateau for its then owner, the Prince of Berghes, whose blazon can be seen on the spectacular chimney.

The French Billard will be late evening entertainment while enjoying a glass of Armagnac produced by our very own cousins, the Delords.

11 LUXURIOUS ROOMS AVAILABLE

The Chateau offers seven magnificent ensuite bedrooms.

The Farmhouse across the lawn offers one suite and two bedrooms.

The Gatehouse itself was fully redone in 2021 and includes one suite and a convertible sofa.

Seven additional suites are also available at Villa Rouleur, our new B&B annex located across the river, five minutes walking from the Chateau gate.

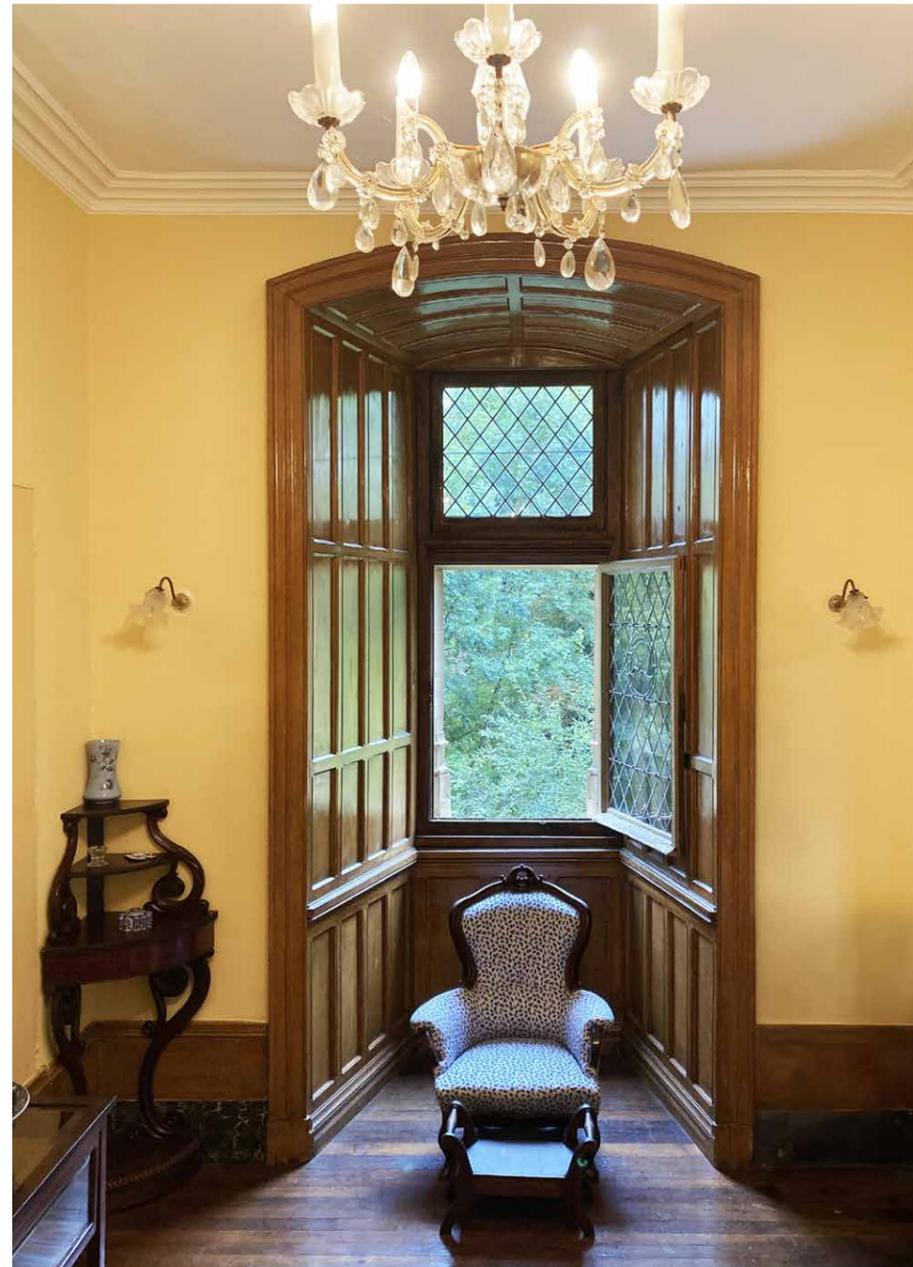

The Royal Suite

TIMELESS DECORATION

All the rooms have been decorated personally by the owner through years of searching in antique shops, fairs and flea markets and also at auctions.

His passion for beautiful objects, furniture and works of art is alive and as such, it is not uncommon to see some of the rooms' features changing, randomly, year after year.

The Bishop's Suite

A JOURNEY WITHIN THE JOURNEY

Gradually, modern “deco” and contemporary art made their way into the Chateau in striking harmony with old master paintings and classic furniture.

Today, the mix of influences is one of a kind, reflecting the owner’s various tastes, including, for example, 1950’s and 1960’s Brazilian designer furniture showcased in full harmony with the 500 year-old roof beams of the Cathedral room.

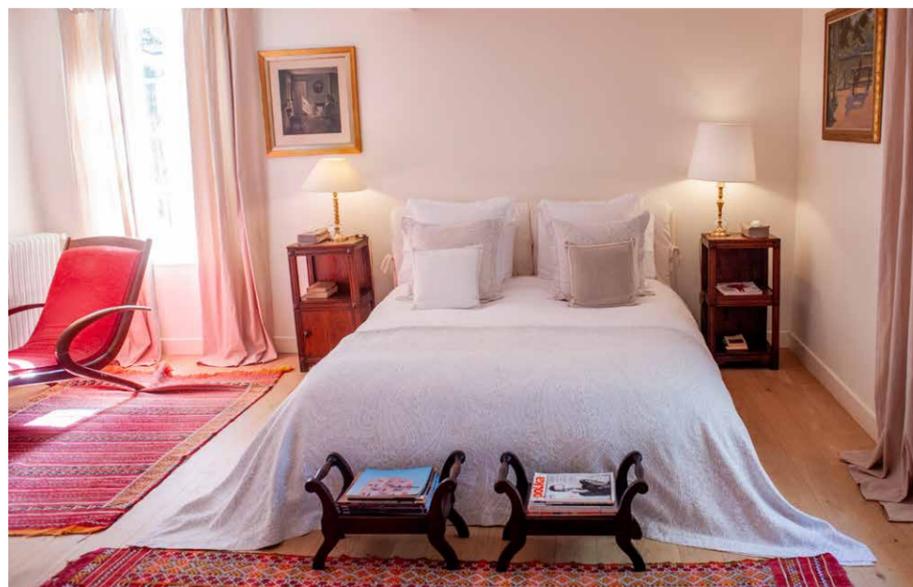

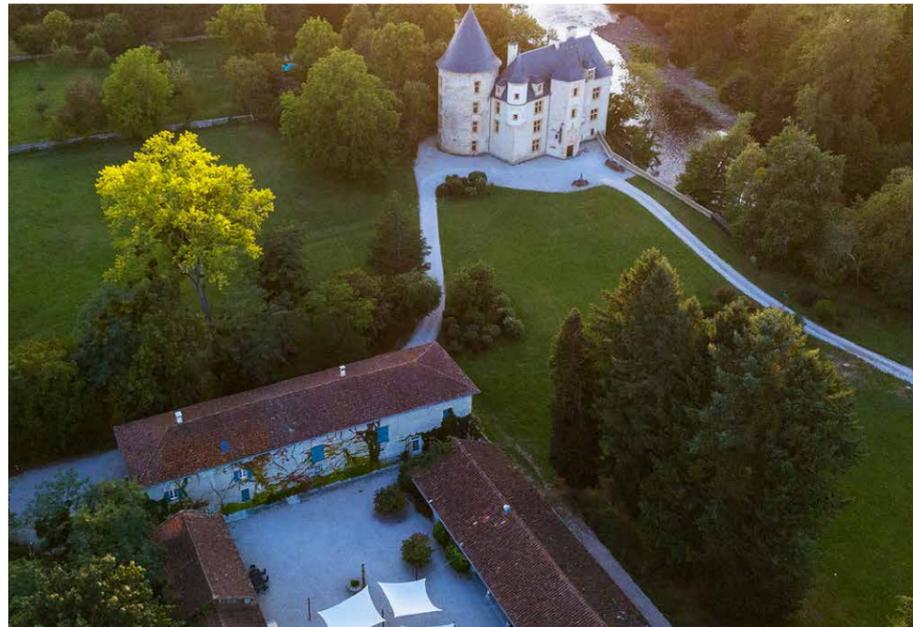

The Cathedral Suite

THE HOUSE ACROSS THE LAWN

The 1850's farmhouse overlooks the chateau and the gardens and offers three guest-rooms, which have been fully renovated in 2020.

The farmhouse courtyard and the open barn are the places where we host large events such as weddings.

THE GATEHOUSE

The gatehouse is a typical example of the mid 19th century gothic revival.

Built originally to host the caretaker it was completely refurbished in 2021.

From the the gatehouse our guests enjoy beautiful views of the the Garonne river and the national heritage bridge.

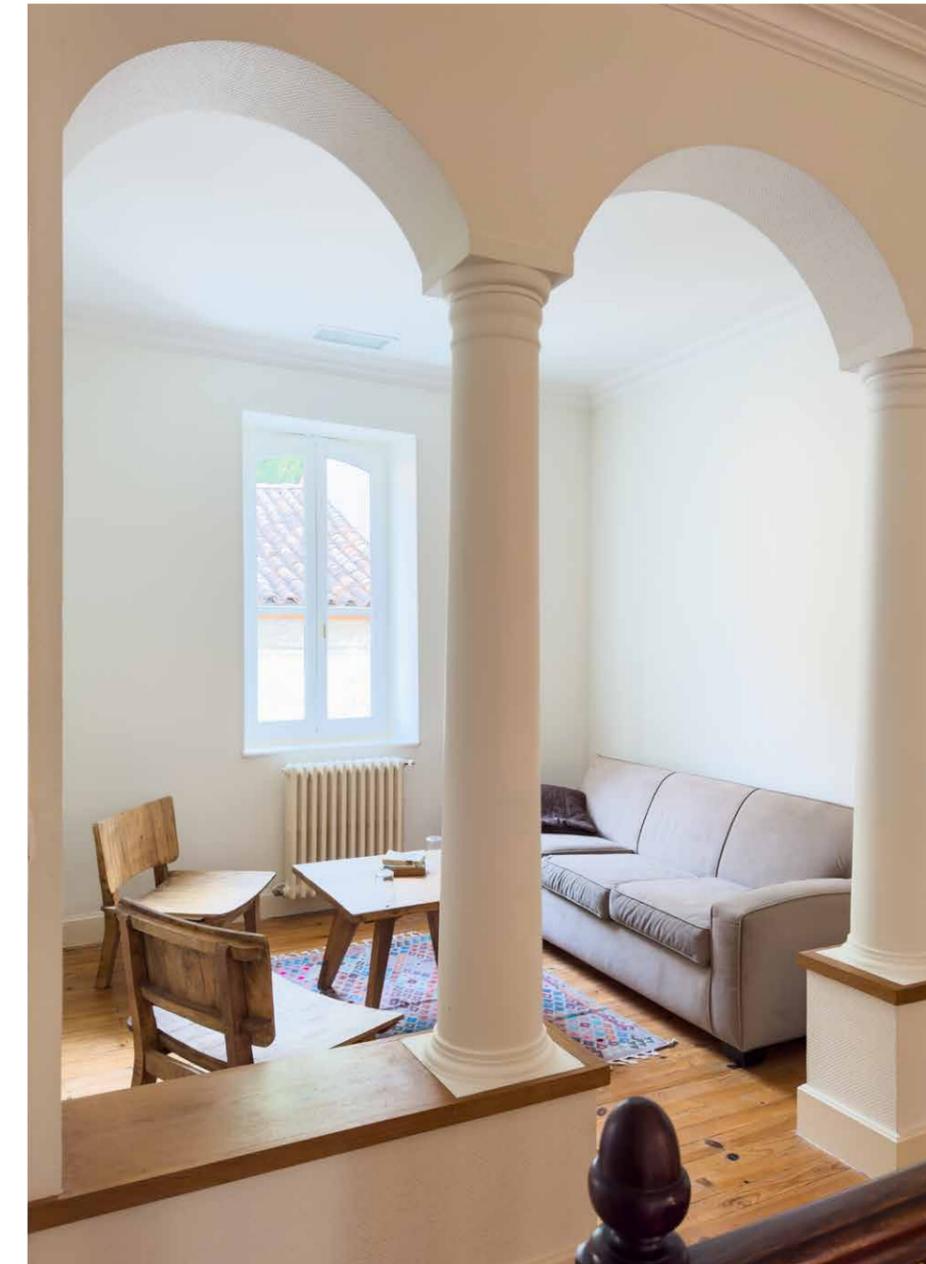

VILLA ROULEUR

Villa Rouleur is our new lodge located across the river, a 5 minute walk from the Chateau.

It opened in 2024 to host cyclists coming to challenge the Pyrénées from around the world. It can accommodate your friends and family for a large group gathering.

The villa from the 1920's offers seven ensuite bedrooms, three lounges and a beautiful pool.

FARNIENTE BY THE POOL

The pool is located on a parcel of land surrounded by an ancient stone wall. It is contiguous to, but hidden from the Chateau, which gives it a special peaceful and secluded feeling.

The pool-house, previously a greenhouse, includes a fully equipped kitchen. It is possible to prepare and serve lunch for 20 guests at the pool, taking advantage of our plancha or massive BBQ.

On the same parcel the Chateau's orchard offers its fruit from June until October.
