CHÂTEAU DE SAINT-MARTORY

Welcome to Château de Saint-Martory

Chateau de Saint-Martory is a beautifully restored, fairytale castle from the Renaissance, located 45 minutes away from Toulouse International Airport in South West France.

The chateau stands high on the banks of the Garonne river, with the Pyrénées mountains at close range. It is surrounded by historical rural buildings and beautiful woods.

We have been organizing weddings since 2014 and will help turn your wishes into reality.

PRIVACY, LUXURY AND COMFORT ARE THE ESSENCE OF THE CHATEAU

The Chateau offers seven wonderful suites with a sleeping capacity of 14 adults.

The Chateau's farmhouse can accommodate six adults and the historical gatehouse sleeps four, bringing the total bedding capacity of the property to 24 adults. A limited additional number of children are always welcome.

With the 2024 opening of our annex, Villa Rouleur, across the river, we have added seven suites to our offering and can therefore host up to 38 adults in the village. Last but not least, in 2025 we partnered with two lovely cottages located 10 minutes away, The Ostal Cassinia and The Casteras, with additional bedding capacity or up to 24 people. **Today we offer directly and indirectly bedding for up to 62 adults.**

In addition, several lovely B&Bs and rental cottages are available nearby making it is easy to host an event for up to 120 people at the Chateau.

A FAIRYTALE WEDDING

Our property spans over 40 hectares of gardens and woodland, with the beautiful Garonne river bordering parts of it.

There are numerous possibilities for the location of the ceremony depending on the season, the weather, the size of your group, and the special feeling you are looking for.

We typically suggest:

CEREMONY & COCKTAIL

under the walnut tree, in front of the Chateau, by the river,
under the trees of our central alley or under our massive woodbarn

DINNER & PARTY

at the farmhouse, in the courtyard, under the open barn or inside the reception room

BRUNCH OR BBQ

at the pool or under one of our barns

EASY ACCESS

From Toulouse International airport, the drive to the Chateau takes around 45 minutes, all motorway.

Toulouse is the city of Airbus and our airport is extremely well connected with 20 flights per day from Paris & London, and daily direct flights to all major European capital cities

We can help with airport pick up and drop off, and shuttle service to/from other lodges especially on wedding night.

For your day to day needs, we have a fleet of e-bikes that can be rented to go out for basic shopping or a scenic ride.
